The 10th day of December in the year Two Thousand and Twenty Two, Mill Town, Florida

## 1 Duck, 2 Duck, 3 Duck, 4...

Have you ever wondered how our racing ducks are handled and cared for during the “off-season”?

Well let me tell you, those impressive ducks are treated with the utmost care. In fact, just prior to Thanksgiving while their distant cousins (turkeys) are concerned about where the next meal is coming from, these mighty ducks are having their feathers massaged by volunteers. The Duck Committee and their spouses get together to inspect and “count” the ducks. I guess the Pyrates will do anything for a party.

The original Duck Race Poster

Actually, every year around this time, the Pyrates have had a tradition of “counting” the racing ducks. The process includes inspecting each duck to ensure the integrity (ability to float) of the ducks. Additionally, each racing duck number is verified to ensure that we have exactly the correct number of ducks and that each number is properly accounted for.

2022 Duck Race Poster—16th Annual Duck Race

The overall process has traditionally been called “counting” the ducks. Although we don’t actually count the ducks, a more accurate expression would be “accounting” for the ducks. However, as Pyrates we choose to stick with tradition. We have been doing this process in varying formats for the past 16 years and hope to continue for many years to come.

The Duck Committee is a group of about 12 Pyrates whose sole mission is to handle all aspects of the only fundraiser of the Blackwater Pyrates, The Great Mill Town Duck Race. Working with the Technical Committee, the Duck Committee manages the care and handling of the ducks to include verifying each duck is ready to race on July 4th. This entire process is generally held with minimal fanfare in order to not outshine the event itself. A big thank you to the Duck committee and all the volunteers.

# December 7, 1941 a day that will go down in infamy!

On December 7 1941 the United States finally entered World War II. As President Roosevelt said, "...the United States of America was suddenly and deliberately attacked by naval and air forces of the Empire of Japan." Around 7:55 on a peaceful Sunday morning , 360 Japanese war planes descended from the clouds for a surprise attack against the American naval war fleet at Pearl Harbor, Oahu.

The Japanese destroyed 5 battle ships, 3 destroyers, 7 regular ships, and 200 American aircraft. There were around 2400 Americans killed and 1200 wounded from Japanese aircraft fire, torpedoes, bombs and kamikazes. The Americans took out 5 Japanese midget submarines, 30 aircraft and just about 100 men .

The next day President Franklin d. Roosevelt gave his famous "infamy" speech to congress. This speech was said to acknowledge that the United States of America was attacked and is now in a state of war with Japan . The US Senate ended up voting 82 to 0 and the House of Representatives 388 to 1 to join the war and fight. Soon after this two other world powers, Germany and Italy, declared war with the United States.

# 2022 Christmas Lighted Boat Parade

Another great Christmas Lighted Boat Parade.

Approximately 3,000 people gathered on the shore line of the Blackwater River for the annual Christmas Lighted Boat Parade. People lined the riverbanks from the Pyrate docks at Jernigan's Landing to the gazebo at the far north side of the boardwalk.

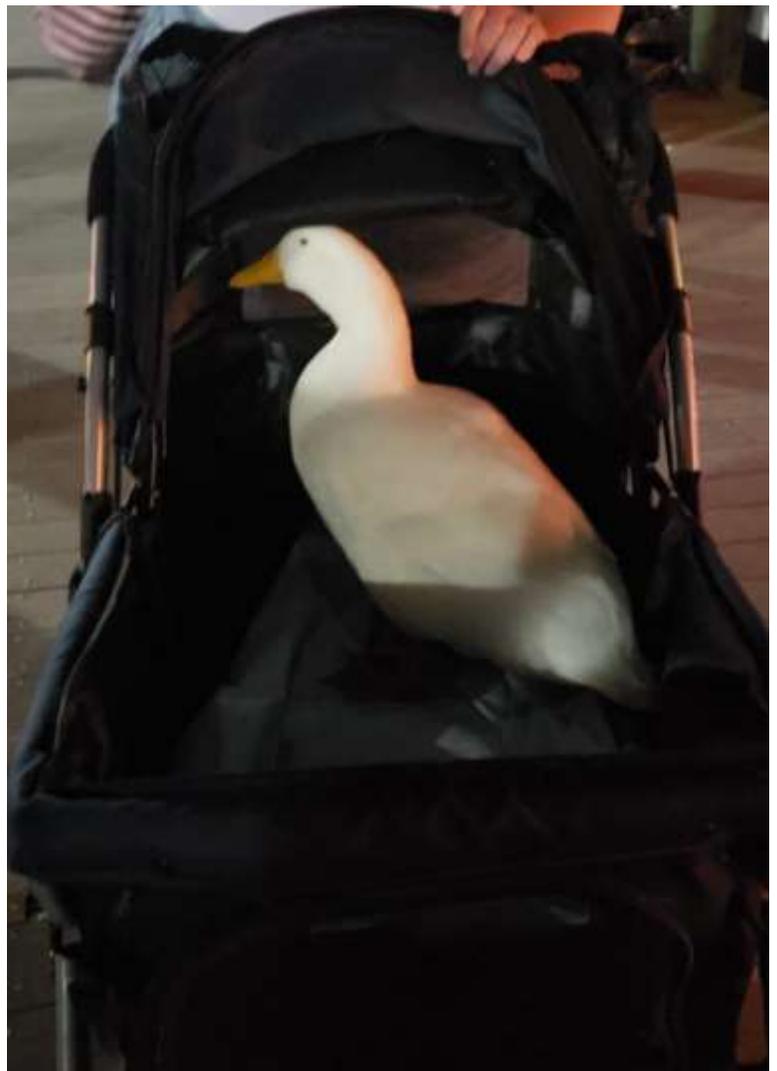

Some brought their kids. Some brought their parents and friends, and some even brought their ducks.

And for the 16th year, the Blackwater Pyrates were the stars of the show. 15 vessels decorated in Christmas cheer, paraded in front of the awaiting audience.

The Boat Parade was immediately followed by a fantastic fireworks show by the city of Milton.

# 2022 Pyrates Giving Back

It is now official! The Blackwater Pyrates have made it a tradition to serve the community at Thanksgiving.

For those of you who are unfamiliar with how the Pyrates assist at Thanksgiving (and Christmas), let me explain. A few years back, Gin Rummy (Ginny Hinton) suddenly was left in a bind when the group of volunteers who normally assist her and her organization provide a hot meal and conversation to the seniors at the Milton Community Center, were forced to back out. Gin Rummy quickly reached out to the Blackwater Pyrates for help and a tradition was born.

Now, the Pyrates have turned the event into a celebration of service. Every year we have the regulars who show up and prepare and serve the food. Additionally, we always have several newbies. These Pyrates are not always new to the Pyrates, but joining the celebration of service at Thanksgiving is something new to them.

This year we had so many volunteers that we were forced to turn some away at Thanksgiving and ask them to join us at Christmas instead.

# Gumbo Anyone?

Who knows what goes into a delicious pot of gumbo? Actually, how many of you know what gumbo is? Well, when you live in the south near Alabama, Mississippi and Louisiana, you definitely know what gumbo is and you also know NOT to ask a chef what is in their gumbo.

This year, several of the Pyrate winches got together to brew up a pot of gumbo and participate in the annual Hadji Shrine Gumbo Cookoff.

Although they were unable to take home the winning trophy, the pot was definitely empty by the end of the day. It was an amazing gumbo and the event was a complete success.

Some may say the judging was a bit compromised. Some may say the odds were stacked against them. But no one would say that the gumbo was anything short of the best in show.

When the day started winding down and the gumbo pots were quickly being emptied, there was only one location where everyone came for more. I call them the winners.
